

## Chain Block POWERTEX Blackline

### Product information

#### **POWERTEX**

Chain block designed especially for theater and show business. To avoid reflection all parts are of non-reflecting color. POWERTEX chain block has a compact and low build design with low dead weight. Hook with safety latch. Can be delivered with POWERTEX push- or geared trolley, or POWERTEX beam clamp.

**Material:** Chain and hook, toughened steel grade 8.

**Marking:** WLL, code and CE marking.

**Finish:** Black painted.

**Safety factor:** 4:1.
