

Chain Block Elephant C21

Product information

A top quality lightweight chain block. Compact and low built design with low dead weight. Rolled-edge hand wheel cover provides smooth operation of the hand chain when pulled slant. The asbestos-free brake mechanism and the gears are completely enclosed and make the block highly reliable and durable and also lower maintenance. Hook with safety latch.

Material: Durable all steel construction.

Marking: According to standard

Temperature range: -10°C up to +50°C.

Finish: Powder coated finish and plated frame components.

Standard: EN 818-7, EN 13157

Safety factor: 4:1
