

Swivel Safety Hook Pewag WLHW

Product information

This hook is at its best when used with the Connex system. It closes and locks automatically and cannot be opened while under load. The large swivel casing opens up an even wider range of application options and the larger jaw opening compared to HSW means that it may be used more flexibly.

Material: High duty grade 10.

Marking: According to standard, CE-marked, Pewag or PW, winner or 10, H16, batch code and type.

Finish: Orange powder coated.

Standard: EN 1677-3

Note: Not for welded system.

Safety factor: 4:1

Grade: 10
